GAP COVER: The Important Information

All of our 2019 Gap Cover Policies:

- Provide benefits for members and their dependants (spouse and/ or child/children up to the age of 25 years **ONLY**) who are covered on one policy of a registered medical aid scheme. Members and their dependants can only be on two different medical aids and one Gap Cover Policy if they are legally married, or common law partners verified by submission of an affidavit confirming 12 months of cohabitation.
- Have no entry age limit.
- May allow for immediate benefits for all policyholders except for a limited list of specific conditions and/or procedures. (There is no general 3 month waiting period!)
- Cover Prescribed Minimum Benefits (PMB's) where a medical aid has failed to meet its obligations in this regard (Subject to medical aid review and for non-emergencies only).

- Are not medical aid schemes. The cover is not the same as that of a medical aid scheme. The cover is not a substitute for a medical scheme membership.
- Are subject to the aggregate gap cover annual limit of R165 000 per insured person per annum. (This limit may change due to regulatory amendment).
