CLAIM SUPPORT

Service Description

Our dedicated Claim Support service is dedicated to navigating the complexities of medical claims so that our CureClub members can enjoy a seamless and stress-free experience. Designed to assist you throughout the entire claims process, this exclusive service is tailored to provide comprehensive claim support, ensuring that you receive the benefits you deserve.

CHRONIC APPLICATION SUPPORT

Service Description

With our exclusive Chronic Application Support service, CureClub members gain access to a dedicated suite of resources designed to streamline the submissions process of chronic applications. Customised to meet the unique needs of our members, this service is committed to providing extensive support throughout the application process.

AUTHORISATION SUPPORT

Service Description

Authorisation support caters to the individualised needs of our CureClub members. This service is unwaveringly committed to providing detailed and thorough support throughout every stage of the authorisation journey. This means that our dedicated CureClub team takes care of all the administrative tasks associated with submitting authorisation forms, so you do not have to worry about the paperwork.

GENERAL ADMIN SUPPORT

Service Description

CureClub's General Admin Support simplifies the complexities of general administrative tasks, streamlining the entire admin process. This allows you to concentrate on your priorities whilst we take care of administrative details, manage interactions with call centers, and adeptly connect the dots between various service providers.
